Ehud,

Wish you a very happy new year. Just checking in whether you have a W-8 (or W-9) tax form that we can use to calculate applicable US tax withholdings. Default is 30%. Without a tax form we may need to withhold at the maximum rate.

Please let me know if you would like any help with the process.

Thanks,
Rahul

Dear Board Members,

Hope all is well. Please send me a copy of your W-8 tax form so that we can determine tax withholding requirements, if any. We will need an original too.

Happy Holidays!

Thanks,
Rahul
